Shimazu Isami

Hello, hello!  
This is my  
second book  
on Misty this  
year! Now,  
I still can't  
believe I  
managed to  
publish two  
of those in a  
row myself!  
Now I have to  
lay low, so no  
officials or  
people from  
my office  
find out  
about this!

All the characters, that appear in  
this book have nothing at all to do  
with any of those from real games  
and anime. Please take it like this!  
I beg you!

Now, after such a lame  
introduction, I would like  
to say, that I am truly  
grateful to all of you,  
who took this book in  
their hands. It really is  
one of those where  
"I drew what I wanted  
and how I wanted"...

So, please, have a  
look at it!

It's not worth  
the trouble,  
Misty, so just  
let it go!  
Besides,  
it's embarrassing!

Wow! Unbeliev-  
able! Look at  
what those  
two are doing  
in front of  
everybody right  
in the middle  
of the day!

Hey, Ash,  
look  
at that!

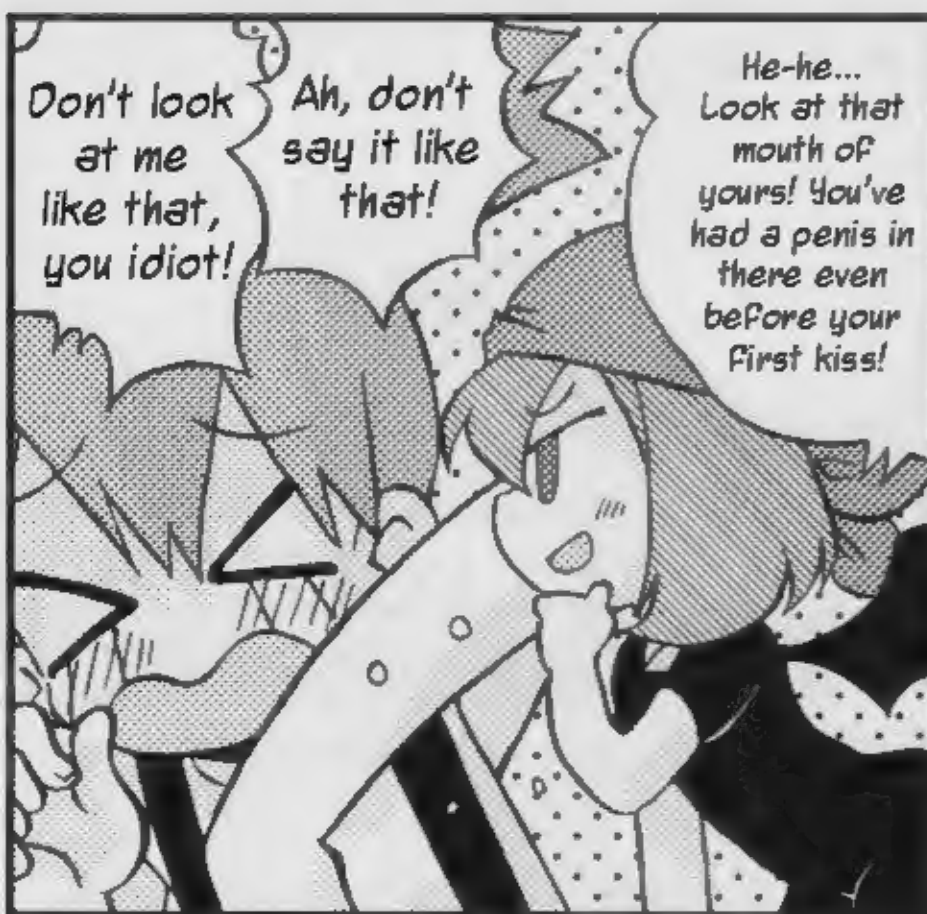

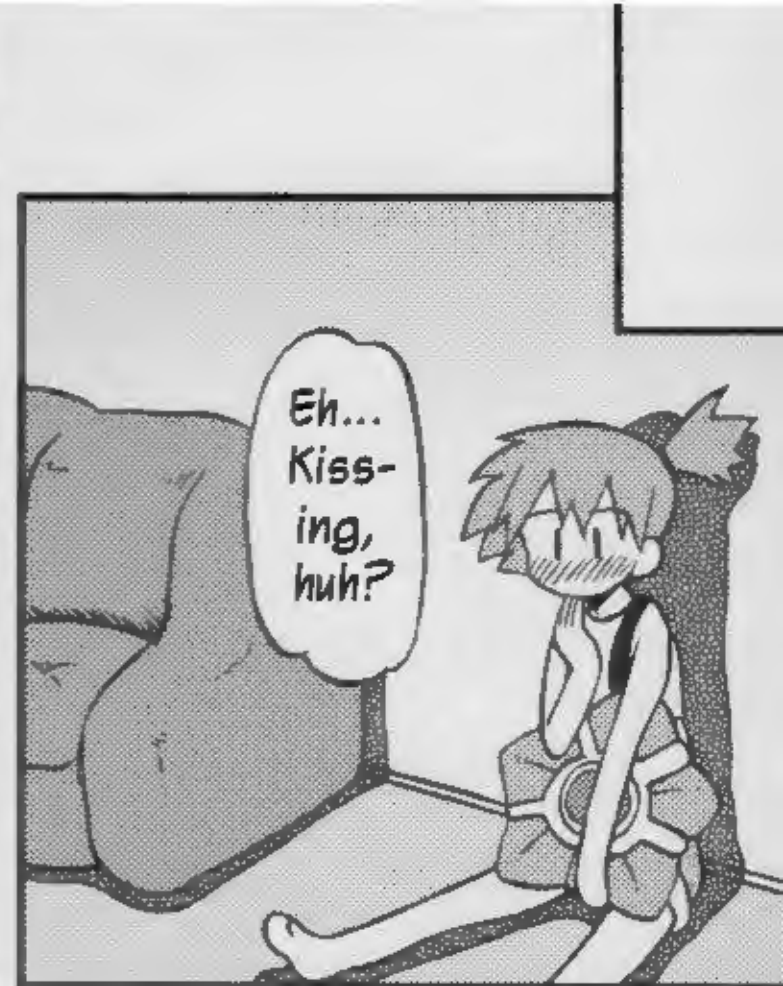

**TRY! TRY! TRY!**

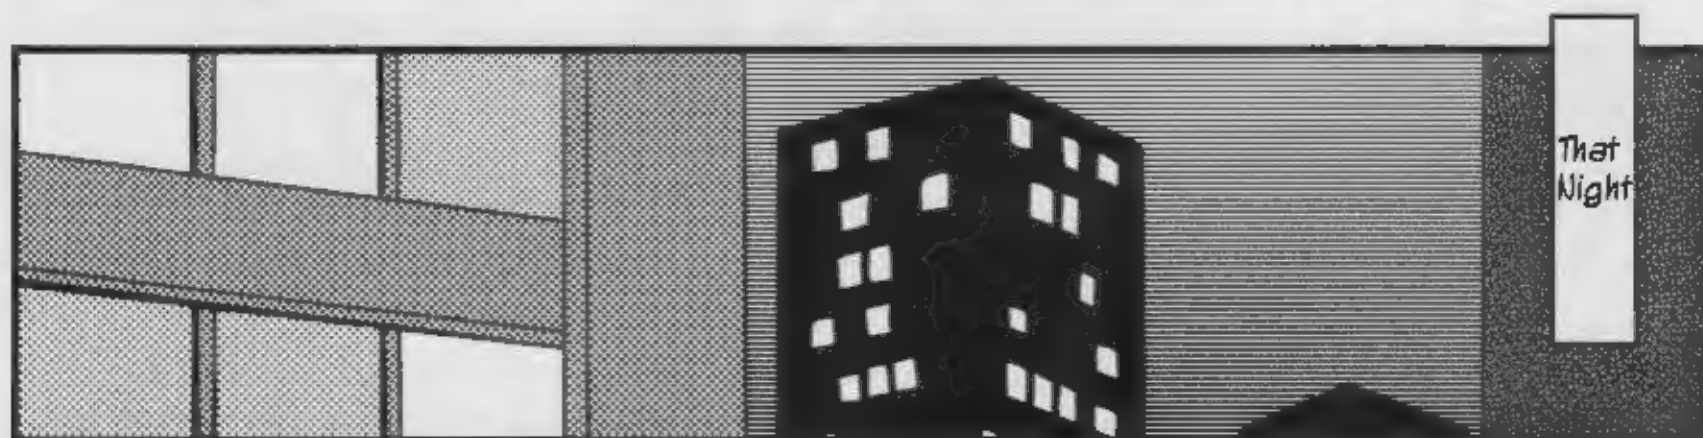

島津いさみ

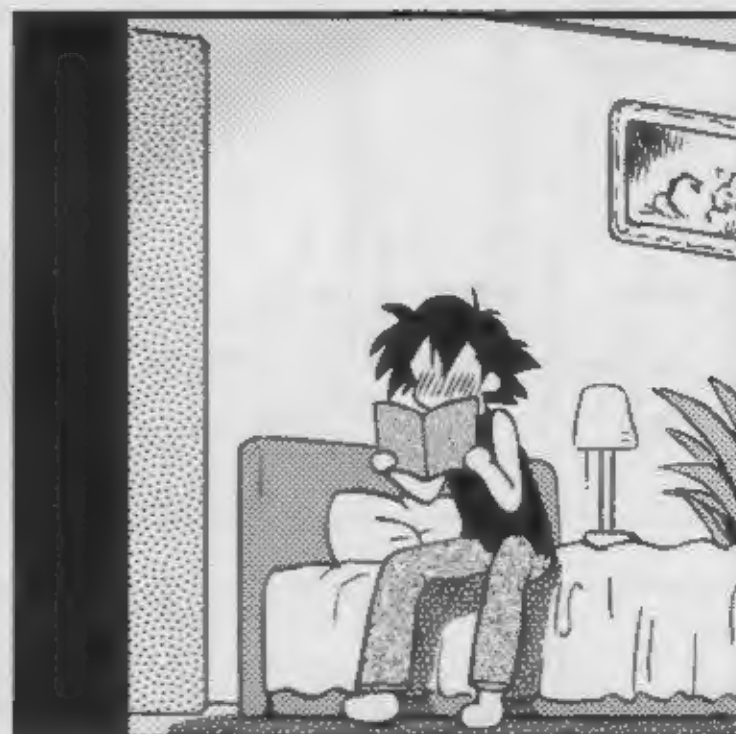

Doorknob

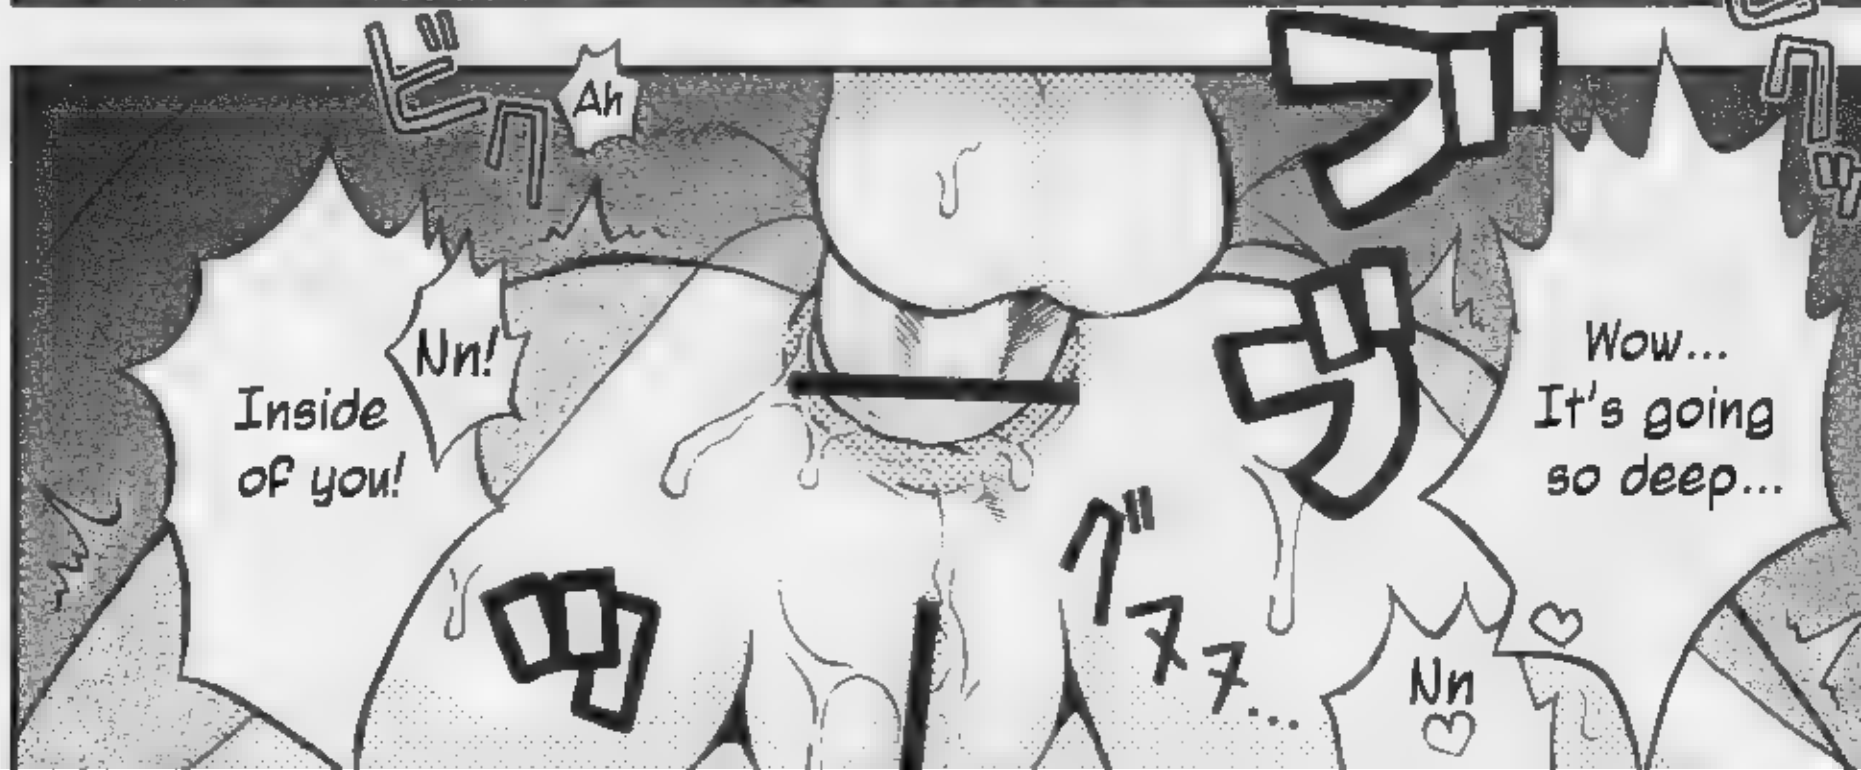

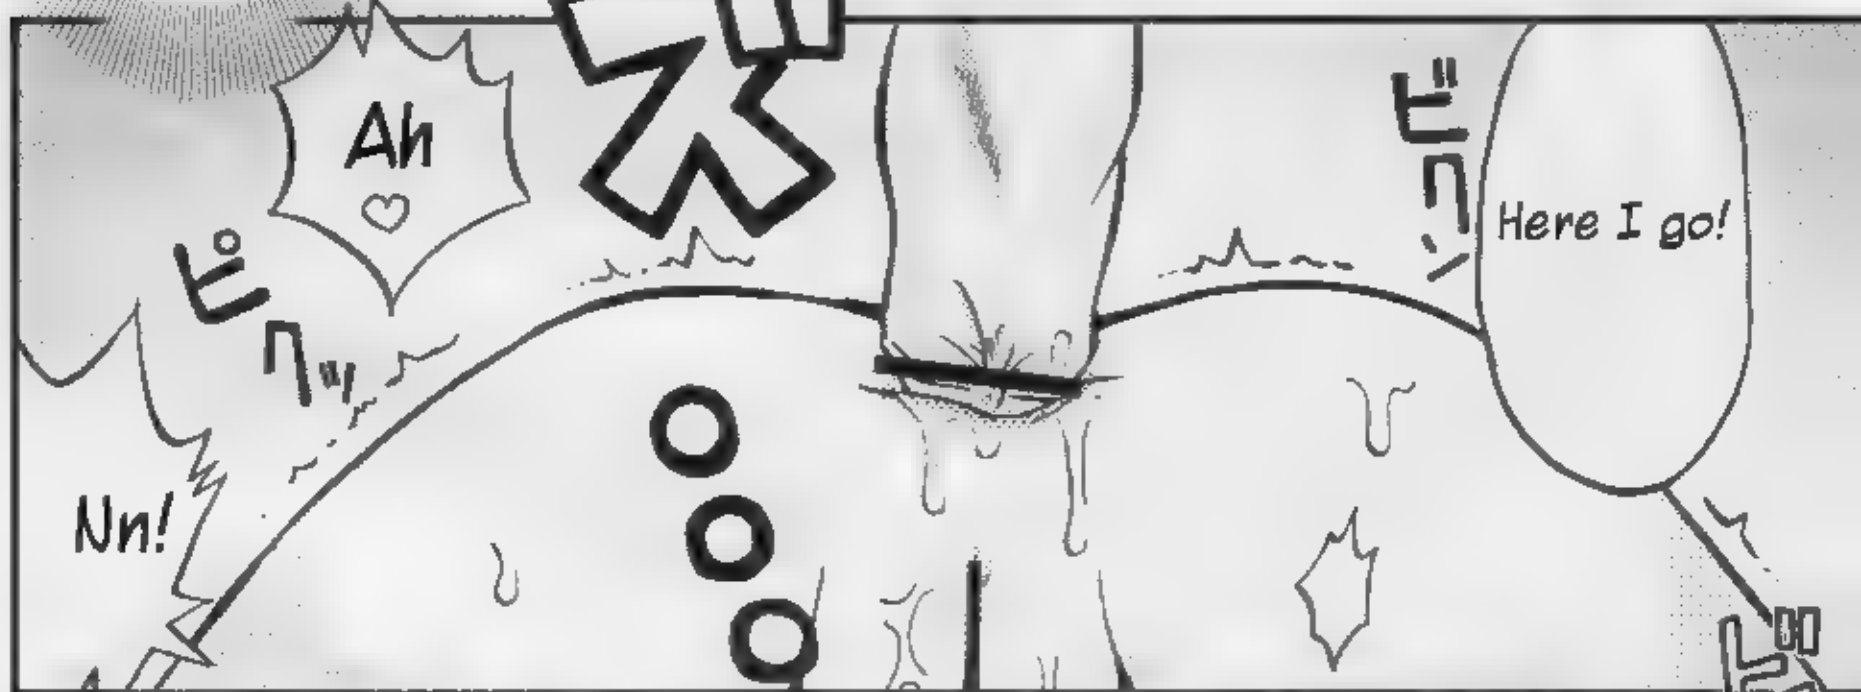

It hurts, but  
I have to bear it!

Ah

And how  
do you  
feel, Ash?

Nn!

Does it  
feel good  
inside of  
my butt?

Oh, it's  
just great!  
It's so  
hot in  
there, it  
feels like  
my penis  
is going  
to melt!

Ah

Ah

Yeah...  
I'm fine

It feels like  
I have got  
a hot rod  
inside of  
my belly!

Uhh

It's all  
the way  
inside!

Are you...  
Alright?

Ahh

It...  
Hurts!

If Ash is going  
to feel good,  
it's enough  
for me!

Uhh

It's totally  
alright...

So...

You can  
do  
whatever  
you want,  
Ash!

Ah

Nn

Ah

Ah,  
alright,  
here  
I go!

You can  
move it as much  
as you need,  
in order to  
feel good!

Ahh!!

Your penis  
is ravaging  
my insides!

Agh!

Ah,  
Ash!  
Not so...

Ahh

Your  
penis  
is  
ravaging  
my  
insides!

Ahh

Harsh!

Please...

Oh,  
I'm sorry!

It feels...  
so strange!

But it  
feels so  
good, Misty,  
I just  
can't stop!

Do  
it  
a  
little...

It feels  
like my  
butthole  
is being  
pulled out!

More  
slowly!

My  
butthole...

It feels really  
different from  
when he did  
it in my  
pussy...

Nn

But still,  
it's all  
white inside  
of my head!

Ah!

My butthole...  
You're pulling  
it out!

Ah,  
don't pull  
it out!

It's Finally  
starting to  
feel good!

Ah!

Ah!

Ah

Agh!

Who would believe it would feel so good to have it in my butt hole!?

Do me harder, Ash!  
Do my ass my harder!

It feels good!  
It's so good!

Hagh!  
It feels so good!

I'm...  
Gonna cum...  
Deep inside your belly!

I guess, I'm a pervert after all...

Ash!

Yes...  
It's alright!  
Cum in me!

Do me more!

Cum all you want deep inside of me!

I must be a pervert to like having my butt hole Fucked, while I'm still a kid...

It's so good!

Ahh!  
I'm  
cumming!

I'm  
cumming!

cumming...

Agh!

It's  
Flowing  
in  
me!

Ah

Uh...  
I'm such an idiot,  
getting carried  
away like this...  
Now my butt  
hurts...

Hey,  
Misty!

What...?

Huh!?

Chuu~

Thanks For taking your time to read this book!

I am the one who wrote it, Shimazu Isami. This June i have published another book on Misty, called "Itsumo Istudemo Honki de Ikiru" and since it got much more popular than I could have expected (It is popular, right?), I felt like publishing the next book right away.

Now, I remember promising in the afterword to that previous doujinshi to draw Misty in some erotic clothes and not just naked in the next book. But, somehow, I ended up drawing her all naked once again... Well, it's always like that, you plan one thing, and reality decides otherwise...

But, since I managed to draw a "Misty anal manga" really well this time, I guess you could forgive me. It's not like anybody can do all the things he planned at once. I guess I have to praise Misty some more, but since she's a little masochist, I guess I should give her a good pat on the back. Oh, it's hard to raise your "children".

The only thing that's still bothering me, is that I didn't manage to draw Misty as "a Fuck-toy For the big guys". So that's theme I will use... next time.

But still, it sure looks like my Ash turned into one horny boy, so even though the author is a chicken, that's afraid to draw more, I bet he's having a good time now too.

Well then, I'll finish it around here today.  
Depending on how well will this book be accepted, I might just get carried away and draw the third one too!  
(Although, I better stop already...  
(That would be an advice from the officials)).
